Dear Robert,

I wanted to take this opportunity to thank you for the spectacular job you did in handling my collection. Knowing that **Robert Edward Auctions** was overseeing the processing and sale of my collection gave me peace of mind throughout the entire auction process. Going into the project I knew that your unparalleled knowledge, judgment, experience, integrity and understanding of both the auction world and the marketplace would ensure that my collection would bring top dollar. Now that the auction is over, I can only say simply that you exceeded my already high expectations in every way.

On behalf of both myself and the entire Halper family, thank you for your tremendous efforts and thank you for making the sale such a great success. I know that you always say to me, "Well, Barry, you're the one who provided all the incredible material for us to work with", and of course, that's true, but I have no doubt that only **Robert Edward Auctions** could have done justice to my collection. I could not recommend your services more highly.

Best of luck to you in the future and even though I sold my collection, don't forget to keep sending me catalogs. (You never know when I might get started again...only kidding!!)

Yours in sports,

BARRY HALPER
